SUMMER WORKSHOPS

Introduction to Picturing Writing

June 23-25, 8:00 AM

8:00 AM - noon

Research-Based Animal Trifold

June 28-29, 8:00 AM-noon

8:00 AM - noon

Interested teachers need to let Beth Olshansky know by Monday, June 14 so materials can be packed and shipped for the virtual workshops. Teachers should just email me at Beth.Olshansky@comcast.net if they are interested.

More workshop options available throughout June and July. Click on the calendar link below to see all options. Register at least 10 days in advance to be able to receive the materials ahead of the training. All trainings are virtual.

Picturing Writing and Image-Making as an engaging, evidence-based literacy model designed to reach a wider range of learners and particularly well suited to **address learning loss this summer and throughout next year**. The flyer also includes links to our website, including to our [research findings](#) and our [2021 Virtual Picturing Writing Summer Institute Calendar](#). In an attempt to offer teachers the most flexibility and the least amount of time online, I have scheduled a **menu of workshop options, mornings only during the last two weeks in June, prior to summer school**. Teachers are welcome to register for one or more units of study, each workshop consisting of only 2 or 3 mornings. The time commitment is small relative to the skills you will gain to address the needs of your diverse learners. A **graduate credit option** is available through SNHU.

Play-based Learning: Creating Opportunities for Deeply Connected and Meaningful Learning

In this FREE interactive professional development series of three, two-hour virtual workshops, presenters will dive into the what, why and how of play-based learning in NH. The UNH Early Learning Coaching Team will provide these sessions on three consecutive days in the morning. Educators are welcome to register for any one session individually or all of them together. It is completely up to you!

Background and context will be provided and each session will be devoted to closely examining three essential elements for creating successful play-based learning through the integration of guided-play opportunities for your students. Join the coaching team as they invite you into an exploration of these three critical components related to successful play-based learning:

Tuesday, July 13: Creating Environments that Support Play-based Learning

Wednesday, July 14th: Diving Deep into Guided-play: What? How? and Why?

Thursday, July 15th: Making Learning through Play Visible (Thursday, July 15th).

All workshops will be held online over Zoom from 9 am - 11 am.

Sign up for one, two, or all three!

EARN A STIPEND AND RECEIVE A MICRO CREDENTIAL DIGITAL BADGET

The Department of Education is excited to announce a new professional development program that will give New Hampshire educators the opportunity to further develop skills related to effective virtual classrooms and facilitating engaging online instruction.

Title: Equipping NH Educators to Facilitate High Quality Virtual Learning Experiences

Dates: Choice of five-week sessions offered throughout the Summer, Fall, and Winter

Modality: Online (Canvas Learning Management System)

Details: Digital badge awarded upon completion of the micro-credential

Teacher-participants are provided with a one-time direct stipend upon completion of the micro-credential. To encourage teachers to participate during the summer session (for implementation of new approaches in Fall) the Department of Education will provide a \$500 stipend to those completing the program by August 29.

Those participating in a Fall Cohort will receive a \$300 stipend. Teachers participating in the Winter Cohort will receive a \$100 stipend.

For more information, please visit: [granite.edu/teach-online.](https://granite.edu/teach-online)

COOL STUFF TO KNOW

The **California Department of Education's AME Institute (AMEI)** is the **biggest Arts, Media, and Entertainment professional learning event of the year**. Don't miss an incredible line-up of speakers, sessions, externships, extended learning opportunities and an Expo Hall showcase of the latest in entertainment industry focused teaching and learning. [Registration for the 2021 AME Institute is live](#) and has just been opened for a national audience! There are limited seats available for our AME-exclusive virtual externships and workshops, so make sure you register early to get your first pick. The AMEI theme this year is **Strong Pathways, Strong Pipelines: Power Through Partnership**, and the conference takes place **June 21-23, 2021**

MASTER OF EDUCATION IN INTEGRATED ARTS AT PLYMOUTH

Please see the attached flyers on the MEd in Integrated Arts degree offered by Plymouth State University, now offered completely online or with face-to-face courses included. If you already have your masters, but know of someone who might be interested, please share this with them and send out to your school communities. We would very much appreciate it. I am happy to talk with anyone interested personally to discuss different options of how you can join our growing body of arts enthusiasts.

My email is plindber@plymouth.edu or my phone number is 603-254-9599. I look forward very much to sharing our degree and discussing your life goals. Thanks so very very much!

Trish Lindberg, PhD, Coordinator, MEd in Integrated Arts, Artistic Director of TIGER and ETC

May your summer be happy, healthy, and restorative.

Thank you for being there for your students during this unusual year.

Marcia McCaffrey, Arts Consultant, NH Dept. of Education
